“ Dear Family,
I send you my thoughts and sympathy at this time. Mary was very special to me, since we were both from England and had lived through the Second World War there, although Mary served and I was just a child. She had that gentle English charm to her and also the English backbone that gets things done. Her generation in England was special and irreplaceable. She was so important to Trinity; always ready to serve and with a quiet sense of humor.
best wishes,
Tonia
